## Principal's Corner

The Autumn leaves are changing colour and we are now thinking of a few months of shorter colder days. It is a time that over hundreds of years has been celebrated in Dilwyn

with a Harvest Festival. Above you can see our year 6 in their final year at St Mary's getting in the swing of things and performing in church a Victorian Harvest.

On Monday 16th as part of their History Topic the Lower Juniors visited the Discovery Centre for a days Viking experience. The Upper Juniors are still in the Victorian era and are looking at the effects of the age of invention and the industrial revolution. The Infants are continuing with their topic HOT & COLD. The fire of London was followed by heat causing changes. Cheese on toast was happily consumed with smiles and the words yum, yum, can we have some more.

As part of our keeping pupils fit and healthy, we will be using the field as much as possible. This means wellies are essential as winter approaches. We find that when the children are on the tarmac the number of first aid injuries increases dramatically. In the same vein of keeping children healthy, we are pleased with the school dinners. The uptake is high, food is prepared from scratch daily and there is far less waste. If you hear of any families considering sending their children to the school, let me know and I will place them on the Newsletter mailing list.

Great picture below of Reception enjoying school so much that they can be seen storming the building.

## Dates for the Diary

- Monday 30th -3rd November - Half Term.
- Saturday 4th November Dilwyn firework display on the field.
- Tuesday 14th November Parents Evening.
- Tuesday 19th School Nativity 6pm in the church.
- Thursday 21st December Pantomime & Christmas Party

## Sport

Sports Club continues to be a great success and will continue throughout the term. Mike says for those doing football, don't forget shin pads. On Friday afternoons ,the Juniors will start swimming after half term. Well done Infants an excellent start.

## Picture Gallery

Monsters arrive in class 3&4 courtesy of Kobie & Abi. Mates in arms before the battle. Its wellie time in school. There is nothing like playing in the sand. A stunning picture of St Mary's church window. George pretending he is a great mathematician. Girls just having fun in the sun.
