'Where Teaching & Learning Matter'.  
October 2025

## Sport

Sports Club, which is a great success, will continue throughout the term. Mike says for those doing football, don't forget your shin pads. On Friday afternoons, Years R, 1 & 2 are swimming until half term and then the Juniors will take over.

## Principal's Corner

It is Autumn time and our thoughts go back to a time when there were no supermarkets and Dilwyn village had to provide all the food within the parish. The poor and infirm were also provided for as the long cold winter approached. The children celebrated the harvest and also remembered those less fortunate than themselves. In true Christian fashion food donated will be given to Leominster Food Bank. Many thanks to all.

We also welcome a new pupil 'Layla' who seems to be enjoying her new educational journey. This means there are currently 75 pupils on roll. Athena's Lodge has provided the school with much needed extra space with the middle room now being a computer suite and small group intervention area.

Year R & 1 have just arrived in Pudding Lane at the bakers shop and are about to experience a bit of a fire. Hot stuff.

The Lower Juniors are continuing with their 'one small step' in 1969 while the Upper Juniors are still in Ancient Egyptian Times. The pharaohs and peasants can be seen hard at work in the cabin.

Year 6 are continuing to study the Victorian era. A time of great innovation, the Industrial Revolution and the gulf between the rich and the poor in society. It was the era when railways expanded, telephones and post boxes started to appear. Did you know Queen Victoria was the target of eight assassination attempts during her reign? These attempts occurred between 1840 and 1882 and included shootings and an attack with a cane, but she survived all of them. What an eventful time.

## Dates for the Diary

Monday 27th Oct - Friday 31st October - Half Term.

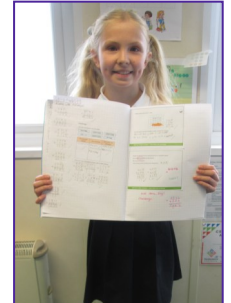

Saturday 8th November Dilwyn Firework display.
