'Where Teaching & Learning Matter'.
December 2025

Principal's Corner

December sees the start of advent and one candle is lit each week. The children learn the meanings of the advent candles. Hope, Love, Joy and Peace and how each fits into the Christmas Story. The final white candle is lit when Jesus is born.

Christmas is an exciting time in school. The Christmas nativity **'It's a Miracle'** was a tremendous success and involved all pupils. A Holygram, rocking shepherds, flashy ribbons, twinkling stars and angelic angels - what more could you ask for? Yes catchy tunes and a traditional storyline is always a winner.

Tuesday's action was quickly followed by Christmas Lunch in the Crown courtesy of Maria & Anna. Then in the evening it was Carols on the Green and a visit to Father Christmas. Thursday it's school party day and another visit by SANTA.

The staff wish you all a very happy family Christmas and we will see you all on the 5th January 2026.

The advent wreath.

Angels break the good news to Mary.

Angelic angels spread the word.

The three kings minus their mobiles.

Is this really maths club or pie making?

Left

Year 6 eating lunch at the Crown, YUM YUM sprouts.

Our sparkling, twinkling angels.

Dates for the Diary
